

WHAT IS ADVENT?

The time leading up to Christmas is called **ADVENT**
which means “COMING.”

This is a season of waiting & preparing our hearts for the coming King! It is a time to remember, share and celebrate that Jesus is God’s special gift.

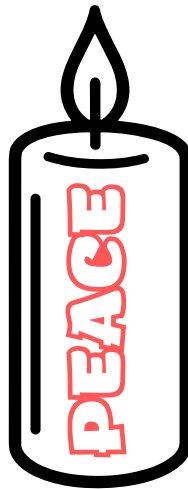

HOPE, PEACE, JOY and LOVE!

The Old Testament prophets foretold that a King would be born. The people waited and prepared for this Messiah to come. They knew that He would be the HOPE of the World!

Matthew 1:18-25

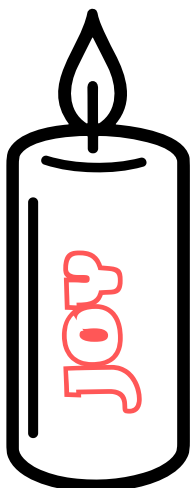

Is there anybody in your life who needs HOPE?

Jesus is called the Prince of Peace. We can experience His PEACE inside our hearts when everything around us seems crazy, hurtful or hard, & even when we feel worried or afraid, He is with us!

Isaiah 9:6

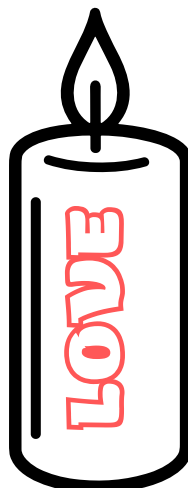

Where do you need to experience PEACE?

After the Angels announced Jesus’s birth to the Shepherds, they went to worship the newborn King. Then they ran through the streets shouting that the Savior had come! JOY to the WORLD!

Luke 2:8-20

Who can you share the Good News of Jesus with?

The name Jesus means “The Lord saves.” God picked the name JESUS to show us that His Son would be our RESCUER – He would save us from our sins. God’s LOVE for us is so GREAT!

John 3:16

How can you share God’s love this Christmas?
